

Combi-Cam™

No Need to Keep Track of Keys!

The Combi-Cam is a secure solid metal cam lock with up to 10,000 possible combinations. Best of all, unlike the competition, the combination is easy to change with no special tools or kits required.

First Dial Combination Cam Lock on Market with Years of Reliability and Durability!
(be cautious of substandard knockoffs by companies with poor quality control !)

Easy to Use!

Durable - All Solid Metal

Secure- Up to 10,000 Combinations

Easily set your own combination any time!

Replaces any 3/4" keyed cam lock.

To change the combination, simply have it on the opening combination and push the reset button in while changing to the desired combination. It's that easy!
